Introducing the Elura SUBR88IW 8" 500W Performance Audio Subwoofer, the powerhouse that brings deep, impactful bass to your audio system. Designed with precision and engineered for performance, this subwoofer delivers low-frequency reproduction that will elevate your audio experience to new heights.

Experience the rumbling lows and immersive bass that add richness and dimension to your music, movies, and games. Whether you're listening to your favorite tracks or watching action-packed scenes, this subwoofer ensures that every low-frequency detail is faithfully reproduced.

Crafted with high-quality components and advanced engineering, the SUBR88IW is designed for optimal performance and durability. Its robust construction and solid enclosure minimize unwanted vibrations and resonances, resulting in clean and precise bass reproduction. With its exceptional build quality, this subwoofer is built to withstand the test of time and deliver reliable performance.

Elura Red Label is the speaker line that pioneered the quest for a no-nonsense, uncompromised sound, combined with the best aesthetics. Our design team compared the sonic and spectral signature of numerous architectural speakers in the industry, identified their deficiencies, and designed a new platform that ensures the Red Label series provides listeners with a stunning, audible experience.
