

ELURA

10" 300W In-Ceiling Passive Subwoofer

SUBR10IC

SKU: 74555 UPC: 81993201277

Introducing the Elura SUBR10IC 10" 300W In-Ceiling Passive Subwoofer, designed to deliver deep, powerful bass in a discreet and space-saving package. This in-ceiling subwoofer is the perfect addition to your audio system, enhancing your audio experience with low-frequency impact and rumble.

The Elura SUBR10IC features a 10" high-excursion woofer that is specifically designed for in-ceiling installations. With its robust construction and high-quality components, this passive subwoofer delivers impressive bass response, adding depth and dimension to your music, movies, and other audio content.

Designed to be installed flush into the ceiling, the SUBR10IC seamlessly integrates into your living space without occupying valuable floor space. Its unobtrusive design ensures a clutter-free environment while still providing a rich and immersive bass experience. Enjoy powerful, room-filling bass without sacrificing aesthetics.

This in-ceiling or in-floor band-pass subwoofer is designed to provide the most bass output you can possibly have in an architectural subwoofer while being completely hidden. The 10 long throw subwoofer driver is perfectly coupled and tuned in its band-pass enclosure to produce extremely low and smooth bass. After the SUBR10IC is installed, the only thing that is visible is a thin air vent that looks similar to your A/C vent.

Features

- Conveniently hide the subwoofer into a ceiling or floor joists without degrading performance.
- Long throw 10 woofer
- Braced and slot-vented rigid MDF enclosure.
- Designed to use an HVAC-like vent grille to blend into the environment.
- Engineered to work with Elura subwoofer amp, model AMP500/1.
- Dimensions (in inches): 26.6" (675mm) L x 13" (330mm) W x 9.2" (233mm) D

2-YEAR WARRANTY

Elura speaker products are guaranteed to meet or exceed the specifications included in this manual and carry with them a 2-year limited warranty under normal conditions of use. This warranty covers free parts and labor on all components with the obligation that Elura will repair or replace any component found defective in materials or workmanship. This warranty does not apply to products that have been abused, incorrectly installed, modified, disassembled and/or repaired by anyone other than Elura or our appointed repair facility.
