SKU: 55431 UPC: 819932011967

Introducing the Elura S6.5IW Blue Label Series by Sonance 6.5" Zero Bezel In-Wall Speakers, the epitome of audio excellence and aesthetic sophistication. Engineered to deliver exceptional sound quality and a seamless integration into your living space, these speakers redefine your in-wall audio experience.

Featuring a zero bezel design, the Elura S6.5IW speakers seamlessly blend into your walls, creating a clean and visually stunning look. With their slim profile and discreet appearance, they become virtually invisible, allowing the focus to remain on the sound and ambiance of your space.

Equipped with a powerful 6.5" CarbonX woofer and a 1" silk dome tweeter, the Elura S6.5IW speakers deliver exceptional audio reproduction across the entire frequency spectrum. Experience rich, detailed sound with precise imaging and clarity. From thundering lows to crystal-clear highs, these speakers ensure an immersive and lifelike audio experience.

Blue Label is the collaborative effort of Elura and Sonance (Dana Innovations), the inventor of the in-wall speaker, to create a series of premium architectural speakers. Blue Label provides realistic, true-to-recording sound in every room of your home, regardless if you are listening to music or watching a movie.
