Introducing the Elura S4 Blue Label by Sonance 4" Zero Bezel In-Ceiling Speakers, where compact size meets exceptional sound quality. These speakers are meticulously designed to provide a remarkable audio experience while seamlessly blending into your living space.

The Elura S4 Blue Label speakers feature a high-performance 4-inch woofer, engineered to deliver clear and detailed sound reproduction. Despite their compact size, these speakers pack a punch, producing balanced audio with impressive clarity and depth.

Designed with a zero bezel, these in-ceiling speakers offer a sleek and minimalist aesthetic. The absence of visible grilles ensures a seamless integration into any room, maintaining the visual focus on your decor while delivering outstanding audio performance.

Blue Label is the collaborative effort of Elura and Sonance (Dana Innovations), the inventor of the in-wall speaker, to create a series of premium architectural speakers. Blue Label provides realistic, true-to-recording sound in every room of your home, regardless if you are listening to music or watching a movie.
