

RACK

28 Space Skeleton Rack w/ Leveling Feet

SK28

SKU: 45422 UPC: 819932011592

Introducing the RACK SK28 28 Space Skeleton Rack with Leveling Feet, the perfect solution for organizing and protecting your valuable audio, video, and networking equipment. Designed with durability and versatility in mind, this skeleton rack provides a sturdy and reliable platform for your gear while offering easy access and customization options.

The SK28 features a spacious 28-space design, providing ample room to accommodate a wide range of equipment, including servers, amplifiers, patch panels, and more. Its skeleton-style construction offers an open and flexible layout, allowing for easy cable management, ventilation, and customization of your setup.

Crafted from high-quality materials, the SK28 is built to last. Its sturdy steel frame ensures stability and durability, providing a secure and reliable housing for AV equipment. The rack is designed to withstand the demands of heavy use, making it suitable for professional studios, server rooms, and home theaters.
