Back Box for ILV TVI Turret Cameras

SMALL-BACK-TVI

SKU: 179075    UPC: 81993201322

Introducing the Illumivue SMALL-BACK-TVI Back Box, the perfect accessory for your Illumivue TVI turret cameras. Designed to enhance functionality and provide optimal protection, this back box is a must-have addition to your surveillance system.

Built to last, this back box boasts exceptional durability and sturdiness. Constructed from robust materials, it provides reliable protection against harsh weather conditions, vandalism, and tampering attempts. Whether it's rain, snow, or extreme temperatures, you can trust the Illumivue SMALL-BACK-TVI to keep your valuable cameras safe and secure.

Installation is a breeze with the Illumivue SMALL-BACK-TVI. It features a user-friendly design that simplifies the mounting process, saving you time and effort. You'll have your cameras up and running in no time, providing surveillance coverage for your property or business.

\*Compatible with Illumivue TVI2T-NC & TVI5T-NL TVI Turret Cameras
