PTZ Corner Mounting Bracket

PTZ-CORNER

SKU: 178181

Introducing the Illumivue PTZ-CORNER PTZ Corner Mounting Bracket, the perfect solution for seamless and secure installation of your PTZ (Pan-Tilt-Zoom) cameras in corner locations. Designed to maximize flexibility and optimize viewing angles, this corner mounting bracket is a must-have accessory for your surveillance system.

The Illumivue PTZ-CORNER is specifically engineered to provide a sturdy and reliable mounting option for PTZ cameras in corner spaces. Whether you need to monitor a hallway, a building corner, or any other location with limited wall space, this bracket enables you to position your cameras precisely where you need them.

****Requires ILV WALL-BACK mount***
