Introducing the Elura S6.5 Blue Label by Sonance 6.5" Zero Bezel In-Ceiling Speakers, the epitome of audio excellence seamlessly integrated into your living space. Designed to elevate your audio experience to new heights, these premium in-ceiling speakers offer unparalleled sound quality and aesthetic appeal.

The Elura S6.5 Blue Label speakers combine advanced engineering with a sleek, zero-bezel design, ensuring a seamless integration into any room. Say goodbye to unsightly speaker grilles that disrupt your decor. These speakers blend effortlessly with your ceiling, providing a clean and sophisticated look that complements any interior design.

Experience immersive sound like never before. The Elura S6.5 Blue Label speakers boast a 6.5-inch polypropylene woofer, meticulously engineered to deliver deep, rich bass and precise midrange tones. Combined with a 1-inch silk dome tweeter, these speakers produce crystal-clear high frequencies with exceptional detail and accuracy. Whether you're watching movies, listening to music, or enjoying a thrilling gaming session, the Elura S6.5 Blue Label speakers ensure every audio nuance is faithfully reproduced.

Blue Label is the collaborative effort of Elura and Sonance (Dana Innovations), the inventor of the in-wall speaker, to create a series of premium architectural speakers. Blue Label provides realistic, true-to-recording sound in every room of your home, regardless if you are listening to music or watching a movie.
