## 5MP TVI Bullet Camera with NightLight

TVI5B-NL

SKU: 174361    UPC: 81993201304

Introducing the Illumivue TVI5B-NL 5MP TVI Bullet Camera with NightLight, a cutting-edge surveillance solution that combines high-resolution imaging, enhanced night vision capabilities, and reliable performance. Designed to provide exceptional image quality and reliable security coverage, this camera is well-suited for a wide range of applications.

This camera boasts NightLight technology, which features two bright LED lights and extra-large aperture that greatly improves the camera image in near-dark situations while deterring criminals. This innovative feature ensures that you capture detailed and accurate images even in complete darkness, providing you with 24/7 surveillance coverage.

The TVI5B-NL features a bullet form factor, combining durability with versatility. Its robust housing protects the camera from dust, rain, and other environmental factors, making it suitable for both indoor and outdoor installations. Whether you need to monitor the exterior of a building, a parking lot, or any other area, the TVI5B-NL is designed to withstand demanding conditions and provide reliable security coverage.
