PTZ Pole Mount Adapter

LARGE-PTZ-POLE

SKU: 180073 UPC: 81993201431

The Illumivue LARGE-PTZ-POLE Pole Mount Adapter is designed to securely fasten your PTZ cameras to various poles, posts, and vertical structures. This allows you to monitor open spaces, parking lots, or other areas where wall or ceiling mounting isn't feasible. It's the ideal choice for scenarios requiring an elevated camera position.

Built to endure outdoor conditions, the Pole Mount Adapter is constructed from tough and durable materials. It can withstand exposure to sun, wind, rain, and other environmental elements, ensuring your cameras remain securely positioned, even in challenging weather conditions.

Compatible with:

- IP4PTZ25XDL-NL
