

ILLUMIVUE™ BY MSTR

Pole Mount Adapter

POLE-MOUNT

SKU: 180260

The Illumivue POLE-MOUNT Pole Mount Adapter is the solution you've been waiting for. This versatile mounting adapter allows you to securely attach your surveillance equipment to poles and posts, offering a whole new perspective on monitoring your surroundings.

Built to withstand outdoor conditions, the Pole Mount Adapter is crafted from tough and durable materials. It can endure exposure to sun, wind, rain, and other elements, ensuring your cameras remain securely positioned and protected.
