

ILLUMIVUE™ BY MSTR

PTZ Dome Corner Mount

LARGE-PTZ-CORNER

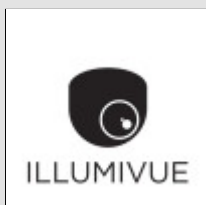

SKU: 182613

The Illumivue LARGE-PTZ-CORNER Corner Mount is engineered to provide the ideal angle for your PTZ dome cameras. It allows for precise positioning in corners, ensuring that no blind spots or hidden areas go unmonitored. With this mount, you'll capture every critical detail.

Built to withstand outdoor conditions, the Corner Mount is crafted from tough and durable materials. It can endure exposure to sun, wind, rain, and other environmental elements, ensuring your cameras remain securely positioned, even in challenging weather conditions.

Compatible with:

- IP4PTZ25XDL-NL
