

ELURA

6.5" 2-Way 70W In-Ceiling Speakers

B6.5Z

SKU: 70445 UPC: 81993201249

Introducing the Elura B6.5Z 6.5" 2-Way 70W In-Ceiling Speakers, your gateway to immersive and high-fidelity audio experiences. Designed with precision and performance in mind, these speakers deliver exceptional sound quality while seamlessly integrating into your living space.

The Elura B6.5Z speakers feature a 6.5-inch compression molded mineral filled polymer cone woofer and a 1/2-inch tweeter, combining to create a dynamic and balanced audio reproduction. With a power handling capability of 70W, these speakers deliver clear vocals, detailed instrumentation, and impressive bass response for an immersive listening experience.

Crafted with a sleek and unobtrusive design, these in-ceiling speaker seamlessly blend into any room. The low-profile and flush-mount design ensure a discreet installation that complements your interior decor, allowing the focus to remain on the captivating sound.

Black Label is Elura's entry point into HiFi home audio. The same strict standards that are applied to the Elura premium offerings are present in the design and performance of this series. Black Label sonically outperforms most speakers that are over twice their price, leading many to say, "these speakers sound too good for the money." New cut out diameter of 8.25" which matches the R6.5Z and S6.5.
