Fixed Dome Mount - Black

SMALL-WALL-BK

SKU: 183376 UPC: 81993201346

Introducing the Illumivue SMALL-WALL Fixed Dome Mount, a versatile and reliable mounting solution for your fixed dome cameras. Designed with convenience and durability in mind, this mount provides a secure and seamless installation option for your surveillance system.

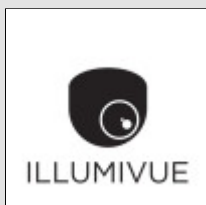

The Illumivue SMALL-WALL Fixed Dome Mount is specifically engineered to offer a stable and robust platform for your fixed dome cameras. Whether you need to monitor indoor spaces, outdoor areas, or entrances, this mount ensures optimal positioning and coverage. With its adaptable design, it is compatible with a wide range of fixed dome camera models, making it a versatile choice for any surveillance setup.

Crafted with durability in mind, the Illumivue SMALL-WALL Fixed Dome Mount is built to withstand the demands of continuous outdoor use. It is constructed from high-quality materials that offer exceptional resistance to harsh weather conditions, ensuring long-lasting performance in rain, snow, and extreme temperatures. Rest assured that your valuable cameras will remain securely mounted and protected against the elements.
