

ILLUMIVUE™ BY MSTR

Corner Mounting Bracket

CORNER-MOUNT

SKU: 184334

When it comes to maximizing your surveillance angles, the Illumivue CORNER-MOUNT Bracket is the perfect solution. Designed to seamlessly accommodate bullet, dome, and fisheye cameras, this versatile mounting bracket allows you to position your cameras at corners, expanding your field of view and ensuring comprehensive coverage.

Built to withstand the elements, the CORNER-MOUNT Bracket is crafted from durable materials that can handle outdoor and indoor environments. Its rugged construction ensures that your cameras remain securely positioned, even in harsh weather conditions.

Compatible with:

- IP5VDVF-NC
- IP4TVF-NC.2
- IP5VD360-IR
