PTZ Dome Pendant Mount Extension

LARGE-PTZ-EXT

SKU: 184336

The Illumivue LARGE-PTZ-EXT Pendant Mount Extension gives you the freedom to extend the height of your PTZ dome camera mount. This extension adds valuable vertical space, enabling you to position your cameras higher and capture a broader field of view – perfect for monitoring large open spaces, parking lots, or expansive outdoor areas.

Built to last, this extension is crafted from durable materials that can withstand the challenges of outdoor environments. Its rugged design ensures that your PTZ dome camera remains securely positioned, even in harsh weather conditions.

Compatible with:
